ABOUT WOODBEAM

At WOODBEAM, we believe the furniture Should be as unique as the individuals who own it. Our passion for modern design and dedication to craftsmanship come together to create bespoke furniture pieces that are not just functional but also works for art.

All the products made at WOODBEAM use handpicked selected materials, stringent quality control, and showcase an overall need for aesthetic excellence and functionality. Based out of JODHPUR, we serve across India.

WITH VIKAS GUPTA
FOUNDER - THREE SIXTY LEATHER

We’re a young, enthusiastic design practice -- building a home décor brand that is aspirational, sustainable & artistic, inspired by our parent company RAE established in 2001.

At WOODBEAM, we design + produce furniture pieces for residential and commercial usage. All our products are custom-made to the requirements. We steadfastly focus on ensuring a definitive and swift furniture buying experience. We take pride in our ability to put together well-made furniture and art pieces. We believe that good furniture should have high quality input materials, meticulous craftsmanship and attention to detail. Everything we do is focused on these tenets -- to achieve an elevated user experience in interaction with space.

OUR MISSION

“Simple, but special”

It is not just a slogan but a philosophy!
Our style is simple, functional, and full of character. We assert that design does not always have to be complex and fancy. Our mission is to show that simplicity of design and functionality is a new elegance.
